

LESSON 4

Get to know the Keyboard even more

STEP 1

Find the pair of 2 black keys at the bottom of the keyboard ("bottom" is to the left if you are facing the keyboard). The white key in the middle of the pair of 2 black keys is D!

↓ *SIDE NOTE!*

Every white key in the middle of the pair of 2 black keys is D!

STEP 2

Find all of the Ds on the keyboard.

Please practice as much as you can.

Review by finding all of the Cs.

Then, find all of the Ds. Every time you go to the keyboard, find the Cs and the Ds.

When you feel like you know where the Ds are located, move on to the next lesson.
