

LESSON 5

Get to know the Keyboard even more

STEP 1

Find the pair of 2 black keys at the bottom of the piano (bottom is to the left). The white key on the right of the pair of 2 black keys is E!

♪ SIDE NOTE!

Every white key on the right of the pair of 2 black keys is E!

STEP 2

Now, find all of the Cs on your keyboard. Then, find all of the Ds. Then, find all of the Es.

**YOU ARE ON YOUR WAY, PLEASE KEEP
GOING!**

**Please practice as much as you can.
When you feel like you know how to
find all of the Cs, Ds and Es, move on
to the next lesson.**

Please remember, I am here for you. If you have any questions, please e-mail me.

piano@klinecreative.com

Understanding the keyboard is "key" to successful piano playing.
