

LESSON 6

Get to know the keyboard, the final steps

STEP 1

Now, find any group of 3 black keys. The white key on the left side of the group of 3 black keys is F!

♪ *SIDE NOTE!*

*Notice that the F is right next to the E, there is no black key in-between E and F. E and F are a **half-step** apart.*

STEP 2

After you find F, find G. G is right next to F, on the right side.

♪ *SIDE NOTE!*

Group of 3, find F and G!

**Please practice as much as you can.
Keep reviewing, find all of the Cs, Ds
and Es. Then, find the Fs and the Gs.**
